

## What is A "Healing Room" Ministry?

A Healing Room ministry provides prayer for healing according to the example of Jesus Christ and His disciples as recorded in the Bible. The ministry of Jesus Christ is summarized in Acts 10:38: "how God anointed Jesus of Nazareth with the Holy Spirit and with power, who went about doing good and healing all who were oppressed by the devil, for God was with Him." Jesus' ministry of healing was intended to be an example for His disciples past, present and future. "And when He had called His twelve disciples to Him, He gave them power over unclean spirits, to cast them out, and to heal all kinds of sickness and all kinds of disease." (Matt 10:1) We are followers of Jesus Christ, commissioned and empowered by Him to be His representatives on earth. As His representatives, we are answering His call to release healing to the whole person through prayer.

A Healing Room ministry operates similar to a walk-in clinic offering prayer for healing by trained volunteers during regular hours of operation each week. No appointment is required and no fee is charged. Ministry team members belong to a broad spectrum of Bible-believing churches in the greater Atlanta area. A team of two or three ministry team members pray for each person individually in a private room.

## Who We Are

We are followers of Jesus Christ who believe that the redemption He made available through his death and resurrection provides for complete physical, emotional and spiritual healing for mankind today. According to the Bible, Jesus fulfilled the prophecy that He would carry away our diseases and pains and that by the very wounds He received in His scourging and crucifixion we were healed! (Isaiah 53:3-5, Matt. 8:17, 1 Peter 2:24) While on earth, Jesus gave His disciples authority over unclean spirits and commissioned them to cast them out, and to heal all kinds of sickness and all kinds of disease. (Matt. 10:1) We, as Jesus' disciples today, have that same authority and commission. (Matt. 28:18-20) The Biblical concept of salvation includes physical and emotional as well as spiritual deliverance and healing. We are admonished in the Bible not to neglect such a great salvation! (Heb. 2:3) That is why we are making ourselves available to the Lord in the Healing Rooms Ministry.

**If you are in need of healing, we encourage you to come to the Healing Rooms for ministry, expecting God to meet your need!**
